

Please amend the claims as follows:

Please cancel claims 2-3.

A2
1. (Amended) A method of treating conditions associated with lipid oxidation, comprising: administering a composition comprising a pharmacologically effective amount of an apolipoprotein A-IV compound, wherein the apolipoprotein A-IV compound is a peptide sequence of from 6 to 71 amino acids in length.

In claim 4, line 1, please replace "claim 3" with --claim 1--.

In claim 5, line 1, please replace "claim 3" with --claim 1--.

In claim 6, line 1, please replace "claim 3" with --claim 1--.

In claim 8, line 1, please replace "claim 2" with --claim 1--.

In claim 9, line 1, please replace "claim 2" with --claim 1--.

In claim 11, line 1, please replace "claim 2" with --claim 1--.

In claim 14, line 2, please replace "claim 2" with --claim 4--.

In claim 15, line 1, please replace "claim 3" with --claim 1--.

In claim 16, line 1, please replace "claim 3" with --claim 1--.

In claim 17, line 1, please replace "claim 3" with --claim 1--.

In claim 18, line 1, please replace "claim 3" with --claim 1--.

In claim 19, line 1, please replace "claim 3" with --claim 1--.

In claim 20, line 1, please replace "claim 3" with --claim 1--.

In claim 21, line 1, please replace "claim 3" with --claim 1--.

In claim 22, line 1, please replace "claim 3" with --claim 1--.

In claim 23, line 1, please replace "claim 3" with --claim 1--.

In claim 24, line 1, please replace "claim 3" with --claim 1--.

In claim 25, line 1, please replace "claim 3" with --claim 1--.

In claim 26, line 1, please replace "claim 3" with --claim 1--.

In claim 27, line 1, please replace "claim 3" with --claim 1--.
